SUBJECT: APPROVAL OF ENVIRONMENTAL MANAGEMENT PLAN (EMP)

After careful review of the Environmental Management Plan (EMP) submitted by HMA Pumps Pvt. Ltd, the Sindh Environmental Protection Agency (SEPA) accords approval subject to the following conditions:

1. The mitigation measures proposed in the Environmental Management Plan (EMP) must be complied with, for achieving negligible impacts on physical, biological, environmental and socio-economic resources of the area. Sindh Environmental Quality Standards (SEQS) must be followed in letter and spirit.
2. M/s. HMA Pumps Pvt. Ltd shall engage an Independent Monitoring Consultant (IMC) on the basis of clearly defined criteria including their experience and resources, to ensure monitoring of the project's compliance with the EMP, and to document its findings according to the prescribed SEPA procedures.
3. Fuels, oils and other chemicals must be handled in such a manner to avoid spills and leakage. A contingency plan must be developed to immediately encounter any mishap, fire etc., and must be in place 24 hours a day to handle any type of emergency.
4. Any hazardous waste including oil sludges shall be disposed of through an EPA certified contractor. The hazardous waste, if found being sell to anyone will be considered a punishable offense under the SEP Act 2014.
5. All employees shall be trained appropriately to work on EMP effectively. Employees training will provide workers with information on minimizing waste generation and other environmental requirements.
6. This approval does not absolve the proponent of the duty to obtain any other approval or consent that may be required under any other law in force.
7. No violation of any rules/regulations/standards/guidelines and provision of SEP Act, 2014, shall be made and in case of any such violation this approval shall stand cancelled without any further notice.
8. This approval is valid for one year w.e.f the date of issuance.
9. This approval is not valid for any court matter.
